Dear Bradley Arnold:

On recent review of our records, we find that Sumter County Ordinance No. 92-30 expires on December 31, 2021 (actual end date 8/31/2022). This ordinance imposes the 2 Cents Motor Fuel Tax on every gallon of motor fuel and special fuel sold in the county.

As per 336.021(4)(b) Florida Statutes, the county shall notify the department within 10 days after the governing body of the county adopts an ordinance extending or rescinding the tax and, at the same time, furnish the department with a certified copy of the ordinance.

A decision to rescind the tax may not take effect on any date other than December 31, regardless of when the tax was originally imposed, and requires a minimum of 60 days' notice to the Department of Revenue of such decision per 336.021(5) F.S.

Please notify this office, in writing or by emailing to FDORFuelDistribution@floridarevenue.com of the county's intention to either extend this levy or to allow this tax to expire by October 1, 2021.

If you have any questions or need additional information, please feel free to contact Usha Putcha at (850) 717-6644.

Sincerely,

Carla Bruce
